

Minerals Site Allocations Development Plan Document Waste Site Allocations Development Plan Document Issues and Options Consultation

Consultation Period: 15 February – 28 March 2008

This Issues and Options consultation, on the Minerals Site Allocations and Waste Site Allocations Development Plan Documents, gives you the opportunity to comment on all of the sites that have been proposed, by the minerals and waste industry and landowners, for minerals development and waste development in Norfolk up to 2021.

The Minerals Site Allocations and Waste Site Allocations Development Plan Documents (DPDs) and their supporting documents are available on our website at www.norfolk.gov.uk/nmwdf, at County Hall in Norwich, at each of the main offices of the District Councils and at all libraries in the County. If you would like to request a copy of any of the documents, please telephone 0844 800 8020 or email us at ldf@norfolk.gov.uk and we will do our best to help.

Your comments will help us to develop the next draft of the Minerals Site Allocations and Waste Sites Allocations DPDs. The next draft will be the preferred options stage and you will be able to comment on the preferred sites for minerals development and the preferred sites for waste development.

This consultation is about specific pieces of land (sites) that could be used for minerals or waste development. This consultation is NOT about the policies that will be used to decide where, in broad terms, minerals and waste development could happen in Norfolk, and how it should happen, such as what conditions to place on such development. If you are interested in these policies, we are also consulting on our preferred strategy and policies in a separate document called:

- Core Strategy and Development Control Policies. Preferred Options

How to provide your comments

1. Electronic consultation.

You can make all your comments online. All the documents are on our website have been designed so that you can make comments against the relevant section and can be found at the following address: www.norfolk.gov.uk/nmwdf
